**Can't wait to eat a pawpaw?**

**We now have Frozen Pawpaw Purée available year-around!**  
**All the skin, seeds and fibers have been removed to ensure uniform quality. Made from the fresh fruit in our orchards!**

**1 pint (16oz) = \$12 + S&H**  
**1 quart (32oz) = \$20 + S&H**

*Orders will be filled as they are received.*

*Due to the increase in demand for Pawpaws, we apologize for the limited numbers of grafted Pawpaws available.*

*We are currently in the process of growing and grafting trees for future seasons.*

*While all efforts are made to keep this list accurate, we apologize for human and mother nature's errors.*
